

## **SoluSoft gears up for largest ICT congregation with Infocom 07-08, Calcutta**

*By SoluSoft Technologies Pvt Ltd*

*Dated: Feb 08, 2008*

*SoluSoft will showcase its Product & Services range from Graphics, Embedded & Technology departments in the largest ICT meet Infocom 07-08. This will be a platform to explore and network in the eastern region of India*

Ahmedabad, India: SoluSoft Technologies Pvt. Ltd., a global provider of Business Process Solutions announces its participation in INFOCOM 07-08, slated to be the largest showcase for business & consumer technology products in India, from

21st -24th March 2008, Calcutta. The company takes this opportunity to build channel partners with its presence in software segment, booth no A-20.

SoluSoft will showcase its wide range of innovative solutions from its Technology, Embedded & Graphics department. Agile solutions for various business applications, Embedded processing systems and Graphical services will be on show. The new features and enhancements in the product line will form the major attraction.

The solutions are the outcome of domain expertise and intensive R&D by the professionals at SoluSoft. These packaged solutions have written their success stories across various parts of the world. The solutions to be exhibited are: Document Management Systems & Workflow, Forms Processing for OCR, OMR & Barcode, Time & Labor Management Systems, Text-Search engine, X86 Embedded Controllers, High-end Mobile Computing, Intelligent Surveillance Systems, Graphic services and many more. The team at the booth will demonstrate the real-time application to the visitors.

After successful implementation in major parts of India, SoluSoft will explore the eastern region with the largest ICT meet. This will be an opportunity to network, connect and build channel partners in this region.
